

MISSION

The mission of Leadership Elk & Cameron is to educate its participants in the strengths and weaknesses of the region in order to develop informed, civic-oriented volunteers to help direct the future of Elk & Cameron Counties.

GOALS

Community Understanding and Awareness:

Educating participants in the strengths, weaknesses, opportunities, and assets of our communities and the implications for the future.

Collaborative Leadership and Relationship Building:

Providing opportunities for participants to understand and enhance their personal and professional skills and knowledge, make partnerships across a broad continuum of leaders, and effectively lead with others.

Civic Readiness:

Fostering experiences, behaviors, and attitudes that will spark participation within communities including service on community boards, in local government, and leading improvement efforts.
